LOCAL ROOTS

People at the heart of every operation.

Terra Bright Solution Sdn. Bhd. provides locally sourced manpower solutions for Malaysia's manufacturing, warehousing, logistics and operations sectors. We connect businesses with suitable workers and coordinate the support needed to keep operations moving. Our approach combines practical workforce planning, clear communication and respect for the people behind every assignment.

OUR JOURNEY

Our journey began as Gold Staff Enterprise (SA0593600-K), established on 20 March 2023 to serve local factories. Terra Bright Solution Sdn. Bhd. was incorporated on 4 July 2025, carrying forward the team, service experience and client relationships developed under the original business.

OUR MISSION

To deliver efficient, reliable and flexible workforce services that help businesses succeed and create meaningful opportunities for local employees.

OUR VISION

To become a trusted manpower solutions partner in Malaysia, recognised for service quality, integrity and a people-first approach.

WHAT WE DO

Workforce support, from start to finish.

01 Local manpower supply

Locally sourced workers for manufacturing, warehouse, logistics and operational roles, matched to your headcount and job requirements.

02 HR administration support

Support with payroll, EPF and SOCSO administration, workforce records and day-to-day HR coordination within the agreed service scope.

03 Contract & temporary manpower

Staffing for short-term assignments, long-term operational needs, projects and peak periods, with clearly agreed deployment and contract terms.

04 Accommodation & transportation

Coordination of worker accommodation and transport where required, helping teams get to work and settle into their assignments.

05 End-to-end workforce management

A coordinated service covering candidate screening, deployment, onboarding and ongoing workforce support, with clear communication throughout.

OUR APPROACH

You focus on operations. We focus on people.

Responsive deployment

Access to screened candidates, with start dates coordinated around availability and your operational needs.

Less administration

A single point of coordination for staffing and agreed HR support, allowing your team to focus on operations.

Flexible planning

Adjust manpower to changing demand through clearly defined contract and deployment arrangements.

Ongoing workforce support

Support for attendance, performance and replacement needs under the agreed service terms.

Transparent cost planning

Clear staffing and billing arrangements aligned with your requirements and agreed working hours.

Opportunities for local people

Support local employment while building a workforce familiar with the working environment.

OUR CORE VALUES

Trust & transparency - Open, honest communication.

Reliability - Dependable coordination and service.

Empowerment - Opportunities that help local people grow.

Deployment, billing and replacement arrangements are agreed for each assignment.

OUR CLIENTS

Relationships built through service.

A portfolio spanning manufacturing, logistics, retail and other business operations. Client names and marks are presented as listed in our company profile.
